THE 1957 VOYAGER

Carnegie High School — Carnegie, Pennsylvania

The class of 1957, being the first to spend a full year in the new high school, has planned its *Voyager* as a trip through the new building, viewing the activities as you would if you were to take a tour through our school over the period of a year.

Mac, our newly-found Tartan friend, has assisted us in recording these activities, so that those who participated can be reminded of many pleasant times and in order that Carnegie undergraduates may know what they can expect. Mac, who has seen almost everything since the beginning of the school year, will conduct us on our trip.

Hall Activities

The halls of C.H.S. are the scenes of many activities. Every morning students gather in groups to talk over the latest happenings and, one minute before the bell rings, teachers can be seen chasing students into their homerooms. Between classes there are long lines at the water fountains, the passing of notes is often seen, and then, at the last minute, there is a great rush to get to class on time. After school the banging of lockers is heard up and down the halls; then, in no time at all, the halls are cleared and everything is quiet again. If walls could only talk, those of C.H.S. would surely have some good stories to tell.

MR. FRATTO

Mr. Nicholas Fratto, our new guidance teacher, took Mr. Match's place following the Christmas holidays.

Mr. Fratto last taught at Cecil High School, where he taught social studies and English. He was graduated from Duquesne University, where he received his Bachelor of Education and later his Master of Education. Presently he is working on his Doctor of Education in Guidance and on his Public School Psychologist Certificate.

Although Mr. Fratto has been with us only a short time, he has already made many friends and is fast becoming an important figure to all the students of Carnegie High School.

The Novus Hi-Y

The Novus Hi-Y, being limited in membership, has chosen from its applicants only the boys of the highest character. In the initiation, which is very solemn and meaningful, the members pledge before God and their fellow members that they will promote high standards of Christian character in their home, school, and community.

As in the past years, many boys from the club attended the week-end at Camp Kon-O-Kwee. Service projects and intramural sports are a few more of the things that kept the members active this year.

Charles Fox, president of the club, was chosen to represent the club in Harrisburg at the state convention held in March.

Dr. Hickes

DR. ROY M. HICKES

Dr. Roy M. Hickes was born in Saxton, Pennsylvania. After graduating from Glassport High School, Dr. Hickes received his B.S. from Indiana State Teachers College and his master's degree at Penn State. Upon completing his work at Columbia University and the University of Pittsburgh, he was granted his doctor's degree. He then served as science teacher and athletic coach at Glassport High School until he was elected principal of that school. Dr. Hickes has been with the Carnegie Public Schools since July, 1951. Dr. Hickes is an active member of the Masons, Rotary, Phi Delta Kappa, and is a directing member of the Boys' Club.

Dee Dombrosky is now in her second year as Dr. Hickes' secretary. Dee does just about everything. She figures out the payroll for the school district, gives out working permits, and goes about the regular office routine. Dee likes to play the piano, paint, and swim. Her favorite pastime is going to the games and cheering the Tartans on.

Miss Dombrosky

Dr. Fleischer

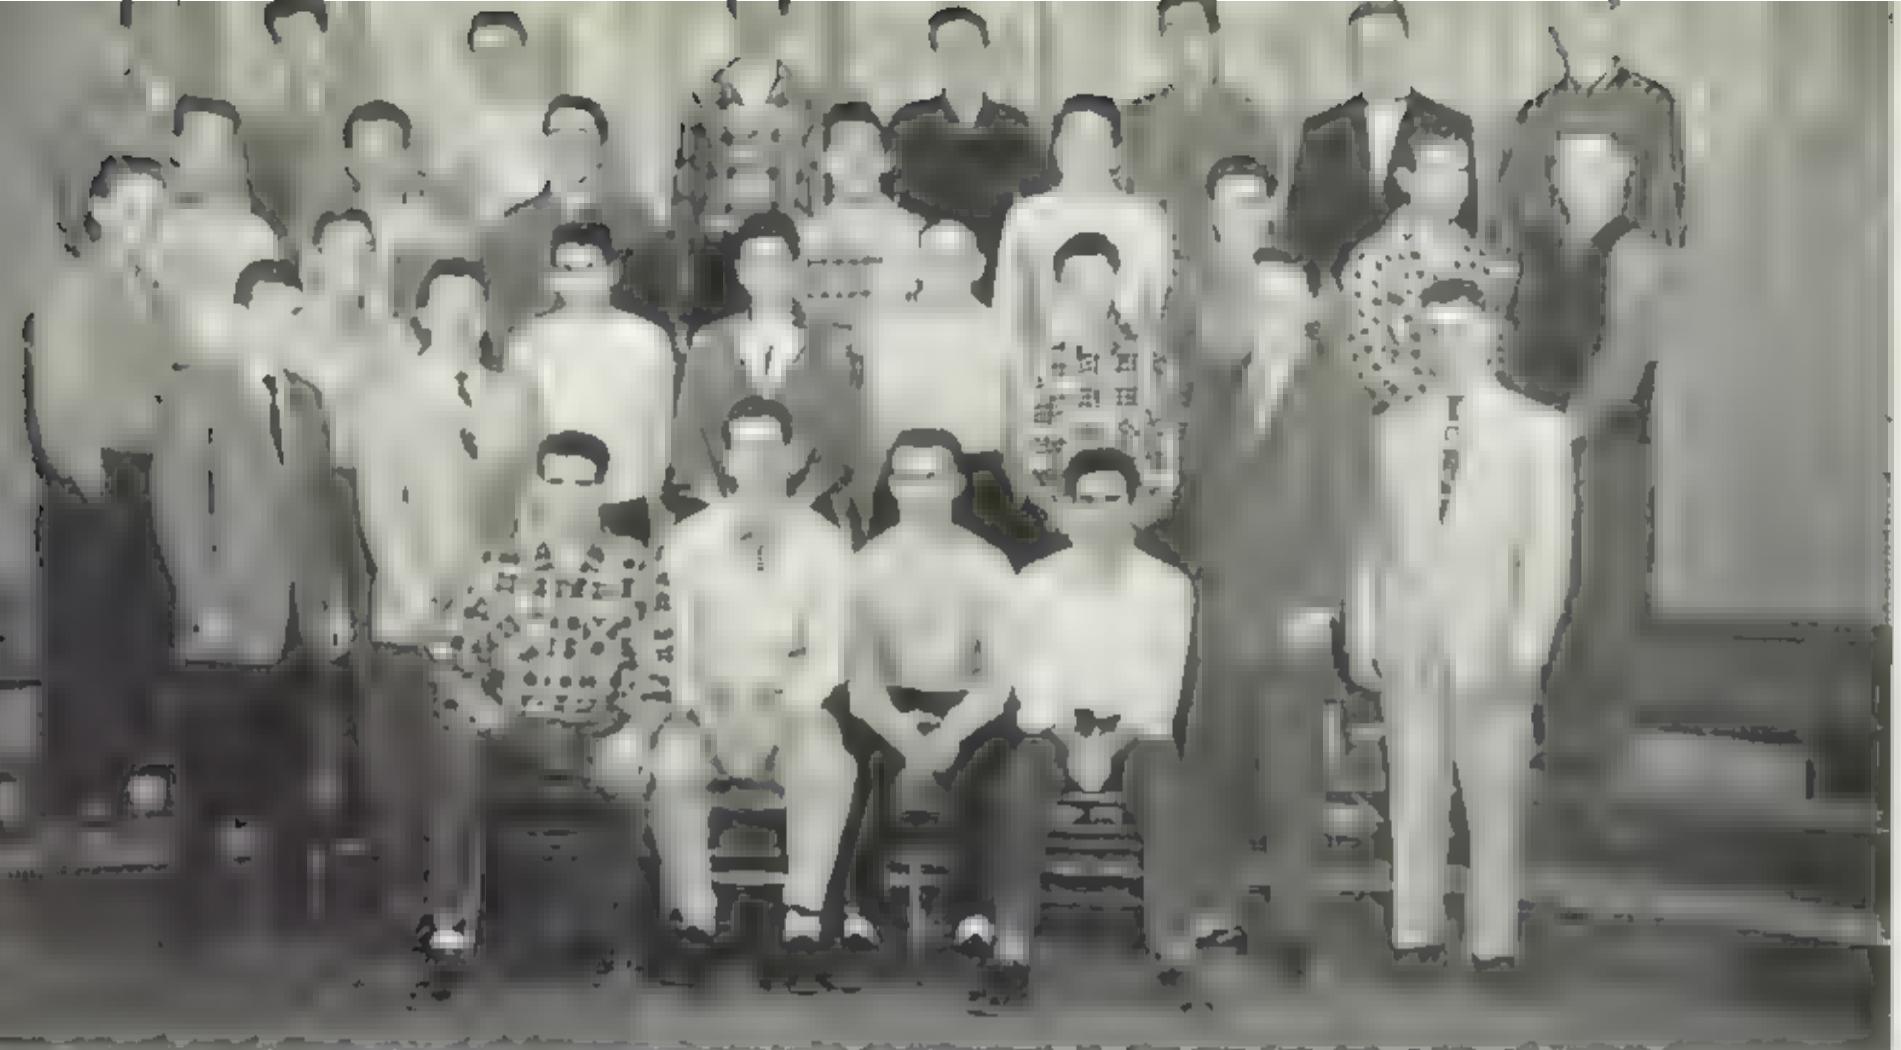

DR. ROBERT D. FLEISCHER

Both Dr. Fleischer and Miss Barbara Williams are familiar sights to the students of Carnegie. Some of their many jobs are keeping the office in good running order and guiding the students in the right paths. Dr. Fleischer has been principal of Carnegie High for only two years. During this time he has won the respect of the student body through his decisions and his many words of wise advice to us. Barb, Dr. Fleischer's secretary, is liked by everyone and is a great help to us. She takes an active part in school projects and sports; also, she is the sponsor of the Golden Rule Tri-Hi-Y.

The Original Hi-Y

The Original Hi-Y, under the sponsorship of Mr. William E. Stout and the leadership of Joseph Wroblewski, has tried to create, maintain, and extend good Christian character throughout the home, school, and community. The club during the year has participated in the Downtown Y. M. C. A.'s programs of swimming and dancing. The club was also represented at the Y. M. C. A.'s camp program during the summer. The camp is called Camp Kon-O-Kwee. The club and its members are also very active in school affairs, making the club very popular. The club is one of the oldest in the high school, and its members and the students of Carnegie High can truly be proud of its existence.

MR. SPEZIALE

Mr. Louis Speziale is a teacher of history and P.O.D. and also the faculty manager of athletics. He attended Ohio State University and the University of Pittsburgh and did graduate work at Duquesne. He has many hobbies, which include music and politics.

Being sponsor of the junior class, he is confronted with the junior class play, prom, and picnic. This year the junior class is going to change the class ring. They feel that the ring should be appropriate to the location of the school. This will be the first time in the history of C.H.S. that the ring has been changed.

Board of Education

The function of the Carnegie School Board is to extend every educational opportunity to each member of this community and to offer adults, as well as students, the use of the facilities within the school building.

The school board consists of seven members elected by the townspeople for a term of six years. A solicitor is appointed by the board, and Dr. Hickes is the administrative head, working under the supervision of the school board.

The board meets on the second Monday of each month in the conference room of the high school.

Officers are elected by the members in December of each year.

Among the many responsibilities of the school board are maintenance of the school buildings, financial problems, taxation, and the supervision of all school matters.

Miss Helen Abbott of the Carnegie Branch of Mellon Bank is treasurer.

Delta Tri-Hi-Y

This Tri-Hi-Y is a very active organization in C.H.S. Since there is open membership in the club this year, it has a large number of members. The club is affiliated with the Y.M.C.A. The purpose of the Tri-Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. Miss Emily English, our sponsor, has done more than her share in making the club a great success. The club contributes to the World Service Fund each year. The main affair is the annual May Queen Dance. One of the best features of the club is the co-operation between officers and members.

G. A. A.

The G.A.A., under the direction of Miss Helen Greschner, is an organization for girls who are interested in sports. At the beginning of each school year, tryouts are held and the new members are selected. This year, instead of a skating party, the G.A.A. sponsored a dance. Its other activities are selling for the Boosters' Club at the football games and the annual Mother-and-Daughter Banquet in May, at which the new officers are announced and awards are given to the seniors who were most active in the club.

Varsity C

The Varsity C is one of the three honorary organizations in our school. It is made up of lettermen from all sports, which include basketball, football, wrestling, baseball, and rifle.

Next to the familiar orange-and-black jackets worn by all members, its existence is probably realized most by the gaudy dress of new members on the day of initiation.

This year the Varsity C also sponsored after-the-game dances near the end of the basketball season, and helped the New Carnegie Athletic Association by selling tickets to the triple-header basketball game, which starred the Pittsburgh Steelers.

The Voyager Staff

A great honor for any person of Carnegie High School is being asked to be a member of the VOYAGER Staff.

The faculty advisor of the VOYAGER is Miss Louise Dickenson.

The editor, along with the assistant editor, is selected the previous year, usually because of either his or her seniority or service on the staff. The staff is usually made up of 22 members who all have particular jobs.

This year the VOYAGER Staff presents a new and different yearbook, one in which the sophomores and juniors have individual pictures and the faculty are pictured in a snapshot pose.

We, that is, everyone connected with the work of the VOYAGER, try to bring you a diary—one into which you will be able to look and be reminded of your school days—perhaps forty or fifty years from now.

Magazine Campaign

The 1957 class of Carnegie High School can be proud of its accomplishment in magazine sales. The annual magazine campaign began on September 10 and ended only three weeks later on September 31.

Marlene Zaletski and Alex Stafa, co-chairmen for the entire campaign, proved to be efficient leaders. Each home room elected its own chairman.

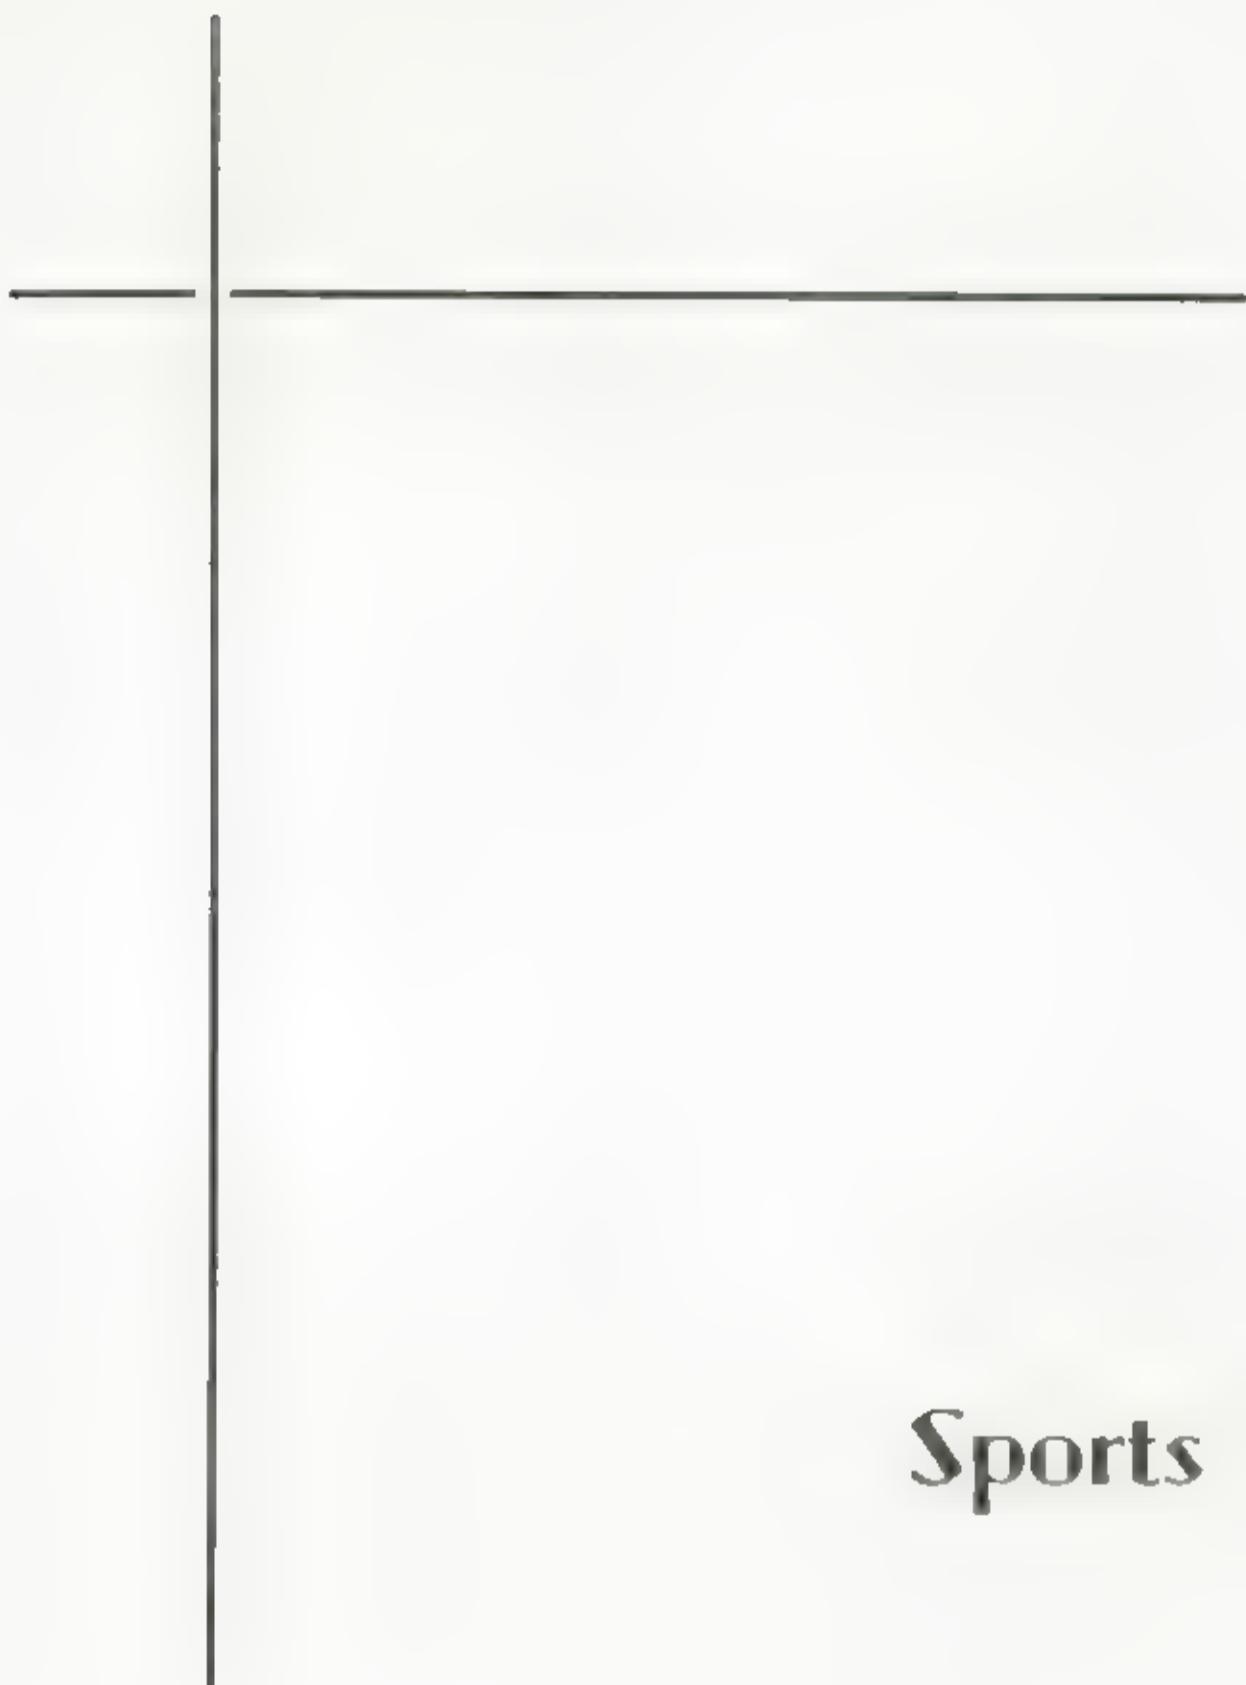

With the combined efforts of the senior class and its sponsor, Mrs. Mary K. Vorko, the magazine sales exceeded the goal in only three weeks.

As a reward to the senior class for reaching the goal in such a short period of time, Mr. Cox, of the Crowell-Collier Publishing Company, gave them a turkey banquet on the night of December 3, 1956. At the banquet, awards were given to Helen Krovchyhyn, highest salesman, and Carol Conley, who was runner-up.

The senior class sold \$3252.77 of magazines and realized a profit of \$1023.74.

The 1957 wrestling team began with four experienced carry-overs from last year's squad. It had a rough schedule and, because of this fact, fared very poorly against all opposition. The team's only constant winner was James Shearer, who went undefeated throughout the regular season. The team is coached by Mr. Robert R. Sawhill. Next year, although the squad will be without the services of Jim Shearer, it should do much better than this year because there will be nine varsity wrestlers back.

James Shearer, a four-letter man, will end his career as a C.H.S. wrestler. In high school Jim has been one of the greatest wrestlers from Carnegie. This year Jay won the district and regional championships, but lost the state championship.

F. T. A.

The Future Teachers of America is one of the newest clubs in Carnegie High School. Last year the F. T. A. was sponsored by Mr. Speziale, but this year Mrs. Pavlov, the art teacher, has done a very good job as the new sponsor.

This organization helps the students to educate themselves for teaching careers. They cover such topics as opportunities in teaching, the teacher's duties, salaries, tenure, leaves, and retirement. The club members also discuss the advantages of different colleges, scholarship possibilities, loans, and part-time jobs.

The F. T. A. has visited Slippery Rock State Teachers College, and they also made signs for Education Week.

National Honor Society

To be granted membership in the National Honor Society is indeed an honor. Its members, chosen by the faculty, are selected for their high standards of scholarship, character, leadership, and service.

The motto of the society is "Noblesse Oblige," which means that superiority has obligations.

The gold pin of the Honor Society is made up of a keystone and a flaming torch. The four requirements of the society are signified on the pin by the letters S. C. L. S.

The society and the pin are recognized all over the United States as signs of honor. The one activity of the National Honor Society is its very impressive induction service.

Student Council

During the past year the Student Council presented a constitution to the student body for ratification. It was ratified and adopted.

The Student Council began to function this year on a more or less interim basis. The official election for the 1957-58 term will take place in April. The Student Council will be ready to function in full capacity during the next school term. At present the membership consists of 32 members.

This year the Student Council sponsored a skating party, acted as guides for the evaluating committee, and started plans to sponsor a foreign exchange student next year in cooperation with the American Field Service.

This has been a formative year for our new Student Council under the sponsorship of Miss Gladys Nordsiek and Miss Mary J. Donohoe.

The French-Spanish Club was formerly known as the French Club. Last year was the first year under this new name. Its purpose is to bring together those people who have a common interest in either French or Spanish. To become a member one must have had at least one year of French or Spanish. The club has two social events a year, a dance and a picnic for the members.

This year the French-Spanish Club combined with the Drama Club and sponsored the dance "Written on the Wind" on March 1, which turned out to be a huge success.

Baseball

The coming of spring brought all the baseball players of C. H. S. back into circulation. Mr Charles Stockum, baseball coach, anticipates a successful season. Along with his veterans, there are many fine-looking prospects.

Coach Stockum's team has five lettermen returning from last year's team, which had a record of two wins and six losses. They are seniors Frank Perry, Alex Stafa, and Joseph Wroblewski; and juniors Ron Hatcher and Joseph Klim.

Stowe, Coraopolis, Crafton, McKees Rocks, Scott, and Carnegie make up Section I of the W.P.I.A.L.

Camera Club

The purpose of the Camera Club is to teach its members the techniques of developing, printing, and enlarging pictures, and also the way to purchase photographic equipment. The one requirement of each member this year was to take and develop one roll of film. The members have good conditions under which to work because the new dark room is fully equipped with photographic equipment. The club is under the guidance of Mr. Burkett, whose thorough knowledge of photography makes him a very able sponsor. The most dreaded night of the year for the new members is that of initiations, when they are put through the most sickening experiences of their lives.

Its activities consist of making field trips, growing plants, and developing other projects of interest to its members. This year the club sponsored a dance at the high school.

This club was organized for business-minded students. It was formerly known as the Commercial Club and was reorganized this year as the Future Business Leaders of America or the FBLA. This is a national youth organization for all business students who are planning to enter some type of business after completion of school. It believes that every young person should take responsibility for carrying out assigned tasks in a manner that will reflect credit to himself, his associates, his school, and his community.

This year the FBLA is sending two representatives to a regional meeting at West Allegheny. The club is under the leadership of Miss Jane Boyle.

Warm meals are now available for Carnegie High students. The cafeteria is the newest addition to the Carnegie High School system. The closed lunch period makes for more efficient use of the school plant and provides for the nutritional needs of the high school pupils.

The school employs three cooks: Mrs. Pysh, head cook; Mrs. Unger; and Mrs. Aymin, all are under the direction of Miss Nordsiek, the school dietitian and home economics teacher, who is in charge of planning the meals and buying the food for the cafeteria. There are ten students who help in the cafeteria each day, eight girls and two boys, who receive free meals for their work.

The cafeteria, which is arranged to seat 160 people for each lunch period, serves 225 meals daily. 425 half pint bottles of milk are bought for the cafeteria each day; and the state furnishes the school with some surplus food.

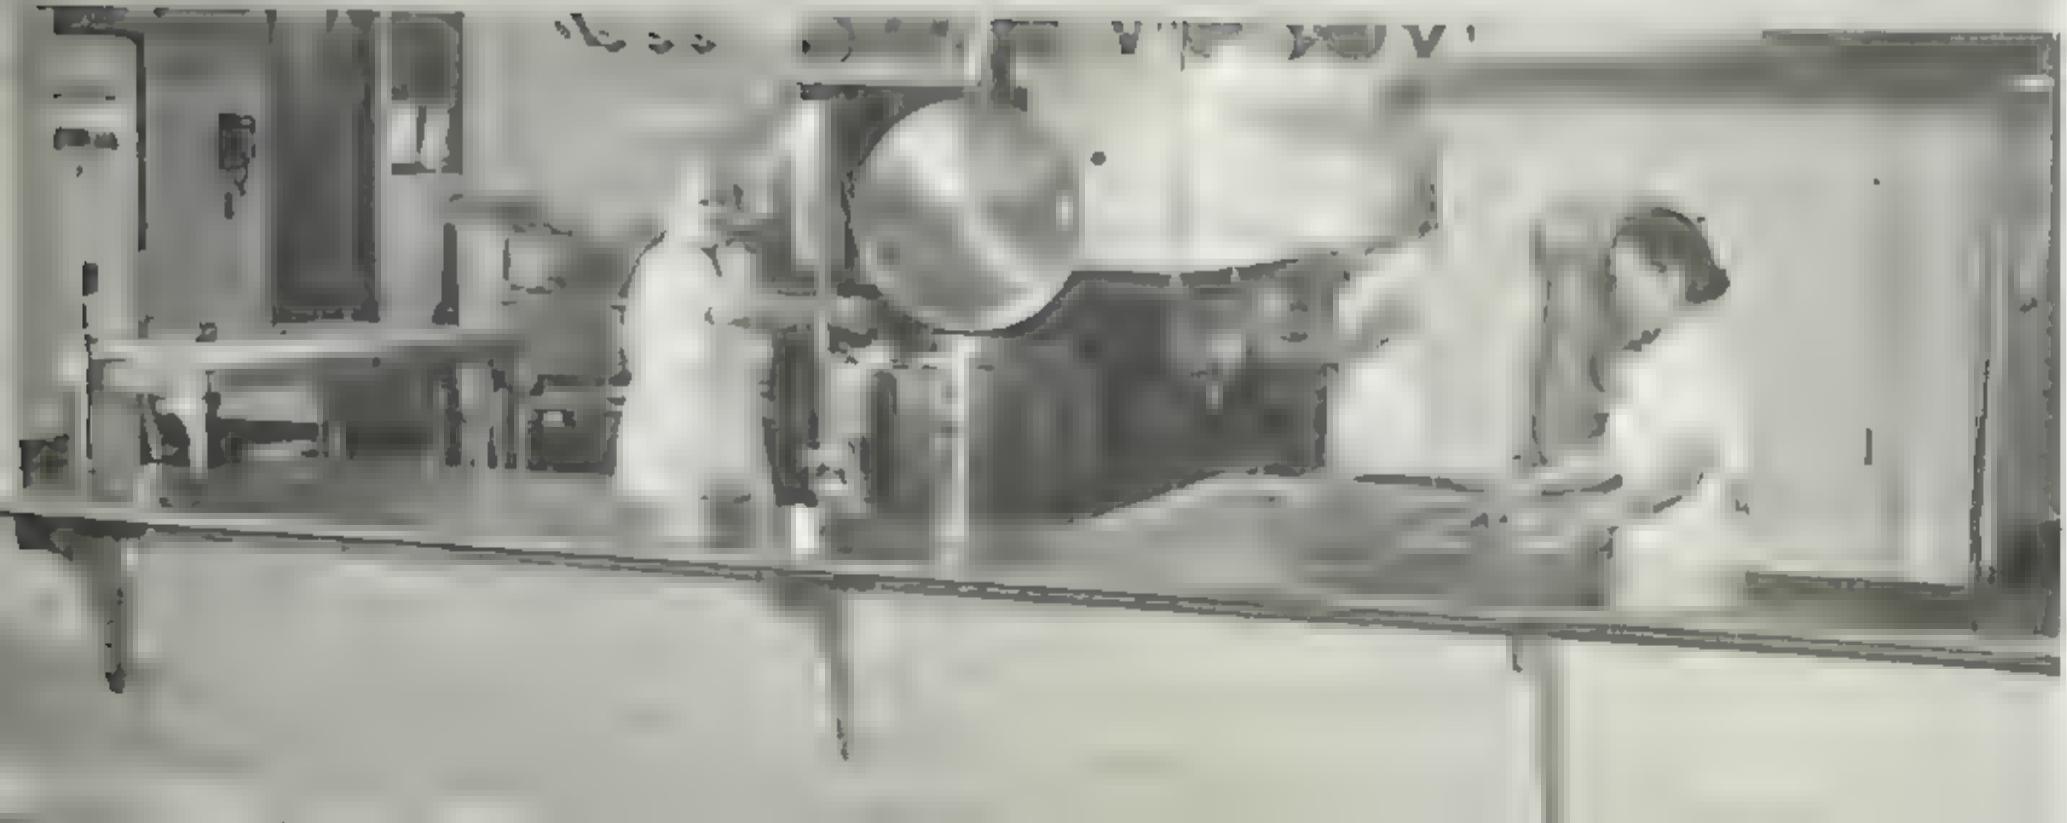

Eating lunch in the cafeteria is a big part of school life and will always be remembered by the graduates of Carnegie High School.

The entire Rifle Club of 1956-57 consists of over 50 members. All of the members are divided into five groups for daily rifle practice. Of the whole membership, the eleven top shooters go to weekly matches.

Mr. Hartley is the head of the club and may be classified as an expert because of his experience and his knowledge of handling guns.

We, the members of the 1956-57 Rifle Club are most grateful for having the use of a modern, recently finished rifle range and wish to give thanks to all who made it possible.

The Carnegie High School Band is composed of students from the sixth grade through the twelfth grade. They are under the leadership of Mr. Walter H. Cameron, who has a B.A. from Carnegie Institute of Technology and an M.A. from the University of Pittsburgh.

The band entertains at half time for all foot-

ball games and in April presents a band concert. This year the Band Mothers held a banquet for everyone connected with the band. Afterwards, a show featured a magician and the Rhythm Rascals. The band hopes this will be an annual affair from now on.

Golf Team

The golf team this year is being coached by Mr. Raymond Zaney, who is replacing Mr. John Bandyk. Last year the team was average, splitting their record, 4 and 4.

Golf is one of Carnegie's newest interscholastic sports. All the matches are played in the afternoons on the various district courses. Some of these are Chartiers Country Club, St. Clair Country Club, Highland Country Club, and Shannopin Country Club. Chartiers is the home course.

Returning this year were three lettermen—John Sawhill, Ray Tafelski, and Ron Geisler.

SOUTH—Coach Zaney's protégés rolled to their first victory of the '56 season by routing South High. Michigan scored two, and Hatcher, Wilk, and Stasiowski each scored one touchdown. South threatened late in the fourth quarter, but Carnegie's line held on their own goal.

McKEES ROCKS—Carnegie won its second victory of the year by shutting out the Rocks. Throughout the third quarter and the opening minutes of the fourth Carnegie's defensive line, led by its captain, Pete Romano, played sparkling defensive ball. Scoring touchdowns were Wilk, Hatcher, and Michigan. Two extra points were added by Wilk.

DORMONT—The Little Tartans beat Dormont for the first time in eighteen years. Hatcher threw a 65-yard pass to Michigan for the first T.D. Hatcher scored on a pitchout and later scored the final six points of the game. Carnegie's line, led by Speco, played good ball.

MOON—Carnegie defeated Moon on their own field for their fourth straight victory. Moon was the first team to cross Carnegie's goal this year.

STOWE—The Little Tartans earned their fifth straight victory of the year by defeating Stowe. The touchdowns were scored by Bailey, Hatcher, and Michigan. Wrableski added two extra points. Bailey and Bateman starred for Carnegie throughout the game.

BRIDGEVILLE—Carnegie's Little Tartans defeated a keyed-up Bridgeville team in its first rival game of the year. Two touchdowns were scored by Wilk and one by Hatcher. The middle of Carnegie's line, led by Jay Shearer, gave good blocking to the backs throughout the game.

GLASSPORT—The undefeated Little Tartans easily defeated a good Glassport team. Wilk, Boyda, and Bernaciak each scored one touchdown, and Hatcher scored two. Carnegie's last score was set up by Shanahan's 60-yard run. Yustak played a great offensive game.

SHALER—The Little Tartans knocked a good Shaler team out of the Class A running. Hatcher scored Carnegie's first touchdown. His intercepted pass ended Shaler's scoring threat. Wroblewski scored on a reverse. Hatcher again scored from the eight-yard line on a plunge. Gilbert scored Shaler's only touchdown.

CRAFTON—The Little Tartans defeated a weak Crafton team. Two of Carnegie's touchdowns were scored by Wilk, one each by Shanahan, Hatcher, Dantry, and Lewis. Wilk added two of the extra points and the other two were made by Bailey and Coleman. Benny Speca played an outstanding game on defense.

SCOTT—The Little Tartans were knocked out of the Class A running by a fine Scott team. Boyda scored the first touchdown for Carnegie on a 70-yard pass interception. Al Michigan scored for Scott, and Marovich added the extra point. Carnegie scored two times on runs of 16 yards by Bob Michigan and 75 yards by Ron Hatcher. Wilk added the extra point each time. Scott scored two more times and Marovich added the extra points. The Little Tartans were hampered throughout the game by injuries, some of which took Michigan, Romano, and Bateman out of the Carnegie line-up.

Athletic Association

The Athletic Association is one of the vital parts of our school system. Without it there would be no form of athletics in our school at all.

Most of the students are not familiar with all the responsibilities that this small group has and with the great amount of time that is spent in planning our athletic schedule. A few of these responsibilities are scheduling games, providing transportation for the players, hiring and paying officials, purchasing new equipment, and police protection.

The line of responsibility goes from the coaches, who have the closest contact with the players; to the faculty manager, who is Mr. Speziale; to the principal, who is Dr. Fleischer; to the superintendent, Dr. Hickes; and finally to the top, the Board of Education.

The positions have been changed a little since the death of Mr. Giannangelo. Mr. Zaney is now the head coach of football and the physi-

cal education instructor. He has also incorporated a fine intramural program into the school activities.

Mr. Stockum is the coach of our varsity basketball team and coach of our baseball team. He is also the assistant football coach, along with our new line coach, Mr. Bouyoucas.

Mr. Cross has taken over the B-Squad, and he is also a member of the football coaching staff.

Mr. Sawhill, as in the past, is the coach of our wrestling team.

Miss Greschner is responsible for all the girls' sports.

Mr. Sabie has taken over junior high basketball.

Dr. Hickes, Dr. Fleischer, and Mr. Speziale handle the financial records and the scheduling of events.

Mr. Hartley is the coach of our rifle team.

Miss Barbara Williams

The Golden Rule Tri-Hi-Y, one of the outstanding and active all-girls organizations, is sponsored by Miss Barbara Williams. The club is affiliated with the downtown branch of the Y.M.C.A. The main purpose of the club is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. This year the service projects included a Halloween party for the children of St. Paul's Orphanage, sending a CARE package, and contributing to the World Service Project. Two meetings are held a month - one a business meeting and the other a social meeting. Each year the May Queen Dance is the money-making project.

Drama Club

A rapidly progressing club in Carnegie High is the Dramateur Club, sponsored by Mr. Rodney Clawson. A highlight of the year is the skit put on by the new members of the club in order to remain. Initiation night is not to be forgotten by the new members, nor by the old.

Plays are attended during the year, but the big event is the annual dance which, this year, was shared with the French-Spanish Club. This dance, entitled "Written on the Wind," was a huge success, and both clubs made much money on it. At the end of the year a picnic is held for all the members and their guests.

Debate Team

In a world that seems to be losing freedom day by day, Carnegie High School debating offers to future leaders of the United States the chance to exercise freedom of discussion in controversial areas.

The main benefit is to the participants; but the audience that hears them will also, we hope, enjoy their efforts and profit from them.

Members of the debating team are students who have completed one speech course.

The debate team has gone to the University of Pittsburgh, where they participated in the Forensic Debate League.

In the coming years the debate team hopes to increase in size, merit, and achievement.

Senior Prom

The senior prom was held on November 16 in the Carnegie High School gymnasium. The decorations of red and white and the huge sailboat set the background for pictures.

The theme song, "Red Sails in the Sunset," along with other beautiful pieces, was played by the orchestra.

Refreshments consisted of cookies and punch served at tables encircling the dance floor.

At twelve o'clock the romantic evening came to a close, and a wonderful time was had by all.

Junior Play

The junior class play, "We Shook The Family Tree," was presented on March 14 and 15. It was a fast-moving three-act comedy in a modern setting.

The story was centered around Hildegarde having to go to the prom with Freddie, a boy who wore knickers. With its many other happenings the play kept the audience laughing for the better part of its performance.

The play was a great success.

Senior Play

On January 10 and 11 the senior class play, "Papa Is All," was presented.

It was a story of a Pennsylvania Dutch family that was kept from any modern conveniences and activities by their tyrant father. His son Jake finally knocked him out and put him on a freight train, making everyone think that Papa had been killed. Everything in the way of modern conveniences was then installed and things seemed to go along smoothly until Papa returned. But the play had a happy ending when Papa was taken to jail for the road shooting of a foreman on a nearby road project.

F. E. A.

The Future Engineers of America, under the sponsorship of Mr. Burkett, is new to Carnegie High as of this year. Its purpose is to promote a better understanding of the sciences and to aid its members in projects by providing a place to work in and the materials used for this work. The boys who organized the F.E.A. felt it the best method of improving their knowledge of the sciences and, with the advice of Mr. Burkett, hope to enter projects in the various science shows.

Fox, Sawhill, Zaletski, Stafa

Senior Class Officers

We, the class of 1957, chose as our class leaders John Sawhill, president, Charles Fox, vice president, Marlene Zaletski secretary and Alex Stafa, treasurer.

John, one of our busiest seniors, is always seen in the library getting information for our class, but out of all the toil that goes with being class president, John succeeded in leading us happily on to graduation.

Chuck, a hard-working senior, is always around willing to help John. We are sure that he would have proved very efficient and dependable if ever called upon to substitute for our president.

Marlene, a pretty lass from Room 205, spent much of her spare time writing letters for our class. Along with her many other duties, she was one of our capable magazine campaign captains.

Alex held the lock and key to our funds. He had a big job, but when we called upon him to do something, we could be sure it would be done exceedingly well.

BEVERLY ARMANI

Beverly was married the first part of November and left us to take up her duties as a housewife.

Student Council is a very active group made up of the president and representative from each homeroom. Its underlying principle is to provide democratic experience for the students through participation in the management of their school affairs. Some of its main objectives are to create and foster a spirit of understanding and cooperation between the students and faculty; to foster advancement in scholarship, in school spirit, and in ideals of friendliness and fair play.

Projects of Student Council during the year included representation at the Pennsylvania As-

sociation of Student Councils at Clark's Summit; assembly programs; school service projects; J-V Day, in honor of the junior varsity football players; ticket selling at the junior high basketball games; the faculty and student basketball game; two skating parties; the Voyager campaign; the Get-Acquainted Dance; the Hearts and Flowers dance, at which the King and Queen of Hearts were crowned; and the spring dance at the end of the year.

Proceeds from the various activities are used in ways to benefit the entire student body.
